Feel at home with our family of ZTrak™ mowers.

It’s all about you. And you. And you.

Our ZTrak™ 900 Series zero-turn mowers were designed with our commercial mowing customers in mind. And since you all have different needs, we came up with different ways to help you meet them.

It starts with the Z900 E Series, a mower that perfectly balances performance and value. It gives you the essential features – including excellent weight distribution, professional-grade seats, and a mow-all-day fuel tank – at a price that’s essentially ideal.

With the M Series, we focused on those of you who have a lot to look after – and a big need for efficiency – with EFI and Flex Fuel options, Mulch On Demand™ decks, and Dump From Seat (DFS) Material Collection System (MCS) capability. There’s even a propane conversion kit available (it can be used on the R Series, too).

The Z900 R Series was created for contractors who demand the best and want the ultimate feature set. You can see the attention to detail in everything from the Comfort & Convenience controls and Hydraulic Cross-Porting System to the Brake-N-Go foot pedal start. Not to mention the 3-year, 1500-hour warranty.¹

---

**Key Features**

**E SERIES**
- Commercial-grade components
- Large rear tires
- Professional-grade seats
- Warranty: 36 months or 1200 hours, whichever comes first; first 24 months, no hour limitation¹
- 7-Iron™ PRO decks with optional Mulch On Demand™
- Flat Free front tires
- Tuff Torq® heavy-duty integrated transmission
- Warranty: 36 months or 1200 hours, whichever comes first; first 24 months, no hour limitation¹
- Cross-Porting Hydraulic Transmission
- Comfort & Convenience Package
- Brake-N-Go starting
- Warranty: 36 months or 1500 hours, whichever comes first; first 24 months, no hour limitation¹
- Powerful 37.4HP (27.9kW) diesel engine
- 7-Iron™ PRO decks with optional Mulch On Demand™
- Shaft-driven mower decks with heavy duty gear box
- Warranty: 36 months or 1500 hours, whichever comes first; first 24 months, no hour limitation¹

---

¹ Propane conversion kit available in the US only.
We know mowers. And we understand what our customers need.

*Easy to operate,* with increased height-of-cut range, better maneuverability, and ease of service.

John Deere’s exclusive 7-Iron™ decks are 5.5 inches (13.9 cm) deep and 7-gauge sturdy. Which helps explain why they’re the strongest, most durable mowing decks in the industry.

- Stamped from a single sheet
- Round corners
- Deep deck
- One-inch cold-forged spindle shafts
- Strong cast aluminum spindle
- One-inch steel bar
- Raised front edge
- Anti-scalp wheels
- Reinforced spindle pockets
- 18-in. (45.72 cm) wide discharge chute

Get a handle on clippings

Nothing can touch our Mulch On Demand™ deck. Because no other mower puts the power to choose mulching or side-discharge at your fingertips.

It’s not just a chute blocker, it’s a true mulcher.
By shifting the lever to mulch position, the movable gate closes off the discharge chute. The adjustable baffles create individual cutting chambers, and let you set openings just the right size to maximize airflow no matter what conditions you’re facing. So sit back and say goodbye to recuts.
It’s not a tire. It’s not a wheel. It’s unlike anything you’ve ever seen.

The MICHELIN® X® TWEEL® TURF™

Exclusively on John Deere ZTrak™ 900 E, M, R Series Mowers*

The next revolution in commercial mowing has arrived. The MICHELIN X TWEEL TURF has all the qualities you want in a pneumatic tire – but it never needs air. Which means no more flats, downtime, patch kits or spare tires. With its unique construction, the X TWEEL TURF navigates easily over curbs and other bumps. And when it comes to durability? It has a wear life that’s up to three times that of a pneumatic. So for less than $1 a day**, you can say hello to the new MICHELIN X TWEEL TURF. And goodbye to flat tires and bumpy rides.

See it in action at JohnDeere.com/Tweel or JohnDeere.ca/Tweel

Unique Construction
The outer portion of the X TWEEL TURF is a strong yet flexible beam called a shear beam, which is connected to the inner hub by thin, yet very strong deformable spokes.

Enhanced Control
The MICHELIN X TWEEL TURF performs like a pneumatic tire, but without the risk and costly downtime associated with flat tires and unseated beads. Plus there’s no air pressure to maintain, so there’s no maintenance.

Consistent Height
The X TWEEL TURF has a consistent hub height which ensures the mower deck produces an even cut. And the full-width poly-resin spokes provide excellent lateral stability for outstanding side-hill performance.

Steady Ride
The unique design of the spokes helps dampen the ride for enhanced operator comfort – even when navigating over curbs and other bumps. And High performance compounds and an efficient contact patch offer a long wear life.

* Approved for John Deere ZTrak 900 E, M, R Series gas powered zero-turn mowers.
** Less than $1 USD cost is based upon the upgraded MSRP cost of the TWEEL add-on option and a 2 year use period of 500 hours per year.
Forget the bells and whistles; there’s work to be done. When time is tight (isn’t it always?) and money’s not growing on trees, get down to business with the, reliable E Series. Rest assured – “affordably priced” does not mean “cheaply made.” The truth is, the Z915E comes with more features and quality Deere components as standard equipment than any zero turn mower we’ve ever offered in this class.

That includes things like a larger fuel tank, so you can power through large jobs. Professional-grade seats, so operators can stay more comfortable from start to finish. Superb weight distribution for enhanced maneuverability. And large rear tires for a balanced ride.

But wait – there’s more:

- 25.0 HP (18.6 kW)³ gas engines
- 7-Iron™ II decks, available in 48”/54”/60” (121.9/137.2/152.4 cm) widths
- 10 mph (16.1 km/h) maximum ground speed
- Pneumatic front tires
- Hand brake
- Material Collection System capability (2 & 3 bag)
- Warranty: 36 months or 1200 hours, whichever comes first; first 24 months, no hour limitation
- NeverStop® Loaner Guarantee available

* Approved for John Deere ZTrak 900 E, M, R Series gas powered zero-turn mowers.
Efficiency? Value?
This is where the rubber meets the road.

The Z920M, Z925M, Z930M, Z950M, and Z960M hit the sweet spot where value-driven performance and day-in, day-out driving durability come together. They deliver all the power you need, the effortless Mulch On Demand™ you want – and build quality that ensures years of reliable operation at every turn.

Features include:
- Engine options
  - 23.5, 25.5, 27.0, 31.0 HP, Z960M
    (175, 19.0, 20.1 kW) gas engines
  - 25.0, 26.5 HP (18.6, 19.7 kW) electronic fuel injection
  - 25.0 HP (18.6 kW) Flex Fuel
  - Propane conversion kit available*
- 3 Seat options to choose from
- 10 mph (16.1 km/h) maximum ground speed
- X' TWEEL™ TURF™ available
- 7-Iron™ PRO decks available in 48”/54”/60”/72” (121.9/137.2/152.4/182.9 cm) widths
- Mulch On Demand™
- Warranty 36 months or 1200 hours, whichever comes first; first 24 months, no hour limitation¹

* Propane conversion kit available in the US Only. Not available on ZTrak models equipped with a 48 deck.

Available Electronic Fuel Injection gives you the option of turning your commercial-grade mower into a fuel-sipping dynamo. The closed-loop system allows just the right amount of fuel and spark to the engine, at just the right time – not only delivering fuel savings, but optimizing power, performance and efficiency across all mowing conditions as well. Choose the Z925M Flex Fuel model, and you get the added benefit of mowers that can run on any blend up to E85.
For those who want everything in a zero-turn mower.

Our Z900 R Series comes with everything you need to keep working your best from start to finish, including available Mulch On Demand™, Flat Free front tires and a power deck lift. The only hard part? Picking the perfect package among the Z930R, Z950R, and Z970R.

- Engine options
  - 25.5, 27.0, 35.0 HP (19.0, 20.1, 26.1 kW) gas engines
  - Propane conversion kit available
- 3 seat options to choose from
- 7-Iron™ PRO decks available in 48”/54”/60”/72” (121.9/137.2/152.4/182.9 cm) widths
- Mulch On Demand™
- 12 mph (19.3 km/h) maximum ground speed
- Warranty: 36 months or 1500 hours, whichever comes first; first 24 months, no hour limitation
- X™ TWEEL® TURF™ available

* Propane conversion kit available in the US only.
Muscle your way through the tough stuff.

The heavy-duty, large-capacity ZTrak™ R Diesel Series gives you front-mower-like power in a zero-turn mower—along with the ZTrak productivity and dependability you count on and a 36-month, 1500-hour warranty [with no hour limitations in the first 24 months].

Power is plentiful, thanks to the 37.4 HP (27.5 kW) Tier 4 diesel engine* (Biodiesel compatible, capable of handling concentrations up to B20.) Shaft-driven mower decks are available in 60- or 72-in. (152.4- or 182.9-cm) 7-Iron™ PRO side-discharge decks, 60” MOD (152.4 cm), or a 60-in. (152.4-cm) rear-discharge deck.

Sit better. Work smarter.
Enhance productivity with a Deluxe Comfort Seat or a Comfort Adjust Suspension Seat with Armrests. Boost convenience by adding a 1 4-bushel capacity Material Collection System (MCS) with electric Dump From Seat (DFS).

Easy Service and Maintenance
An open engine compartment allows full access to components and service points. The flip-up seat allows easy access to the hydraulic system, and a flip-out panel allows easy entry to the deck spindles.

Deck Height Adjustment
This innovative, low effort dial height of cut adjustment has fifteen positions from 1.5 inches to 5 inches (3.8 cm to 12.7 cm) in 1/4-inch (6.35 mm) increments, letting you change the height without ever leaving your seat.

Heavy-Duty Spindles
When the going gets really tough, these spindles—designed specifically for the demands of commercial mowing—are perfect for surviving high temperatures and frequent blade impacts. Standard on the Z997R.

Powerful Engine. Strong design.
The Tier 4 diesel engine is liquid cooled, and features direct fuel injection for efficient combustion and improved starting. The steel oil cooler eliminates potential fin damage from pressure washing and cleaning, and easily flips out for cleaning and radiator access.

<tbody>
<tr>
<td>R Series</td>
<td>R Diesel Series</td>
</tr>
</tbody>
</table>

### Striping Kit
Give every lawn that premium ballpark after-cut look.

### Front Light Kit
Keep working from sunup to sundown. And maybe a little longer.

### Rear Hitch
Bolt one on and pull even more than your weight.

### Canopy
Stay out of the sun while you remain out on the job.

### Mulch Kit
Convert mowers with side-discharge mower decks to mulch.

### Dump From Seat (DFS) Material Collection System (MCS)
This 14-bushel, large-capacity hopper allows for longer mowing between dumpings. [Electric DFS available on Z997R]

### Material Collection System Hopper Bundle
Featuring Quik-Tatch mounting for easy installation.

### Trash Receptacle Kit
Police the grounds, without leaving your seat.

* MCS not recommended for use with MXT.
When it came to making sure you had the best stand-on, we didn’t sit down on the job. We focused on giving you machines that would fit your needs, whether you wanted something brawny and basic, or one with a floating deck.

And that road led right to the QuikTrak 600 Series Mowers.

These mowers deliver the best of both worlds: industry exclusive stand-on technology, combined with John Deere quality, durability, and support. The result is a stand-on experience like no other: Best-in-class stability, even on tricky hills and mounds. Excellent operator positioning, including an adjustable spring step and angled pad. A compact design for better sightlines and tighter spaces. And John Deere controls for superior maneuverability.

All of which means you can get more done, without spending more than you should. And QuikTrak™ mowers are backed by a 24 month, unlimited hour warranty. Not to mention the unsurpassed support and expertise of your John Deere dealer.

Stand on a mower that’ll help you stand apart.
Greater Maneuverability is the result of responsive, ergonomic controls. And the result of that is superior productivity.

Cut costs. Save time.

The QuikTrak 652E mower features a commercial-grade 22.0 HP (16.4 kW) gas engine and Flat Free front tires that keep you going strong all day, and sealed front caster bearings for longer life. It also comes with a fixed, 7-gauge steel deck, giving you the ideal balance of performance and value.

The QuikTrak 652E is built to save time and boost productivity, with an easy-to-learn hydrostatic transmission drive and a design that allows for quicker loading and unloading.

Even Weight Distribution, thanks to an operator platform centered over the rear axle, ensures hillside stability.
The new way to make all the right moves.

One of the most productive and maneuverable commercial mower in the market, the QuikTrak 600 M Series delivers unsurpassed performance with a low cost of ownership. With available 36”, 48”, or 52” (91.4, 121.9, or 132.1 cm) widths of cut, and 18.5 and 22.0 HP engines (13.8 and 16.4 kW), the M Series 636M, 648M and 652M are the ultimate mowing machines for maneuverability and hillside stability.

Adjustable height-of-cut
Get exactly the cut you want, in easy-to-adjust ¼” increments.

36” deck
The M Series is available with our smallest deck. It’s one of the shortest mowers on the market, lighter than a zero-turn, and takes up less space on a trailer, so there’s room for an extra mower — helping you save even more time and money.
Stands up to whatever comes your way.

With the QuikTrak 600 R Series you get your choice of 22.0, 23.5, & 25.0 HP (16.4, 17.5, & 18.6 kW); an available propane conversion kit; 48, 52, or 61-in. (121.9, 132.1, or 154.9 cm) 7-gauge steel floating decks; and Mulch On Demand™ at the touch of a button. Plus the reliability, performance and long life that come with a heavy-duty Hydro-Gear pump.

A quick adjustment pin lets you change cutting heights from 1.5 to 5 inches (3.8 cm to 12.7 cm).

Simplified maintenance
Open it up, and all the service points are within easy reach.

The floating mower deck with lift-assist springs raises the mower over obstacles on the fly, right from the operator’s station.

Mulch On Demand™
Cut consistently. Control your clippings. Save cleanup time. At the touch of a button.

## E SERIES

**Z915E**

- **Engine**
  - Certified Horsepower: 25.0 HP (18.6 kW) @ 3600 RPM
  - Engine Model: CV742
  - Displacement: 747 cc
  - Cylinders: Two
  - Full flow, replaceable
  - Air
  - Heavy-duty canister type with safety element
  - Oil Filter
  - Lubrication
  - Cooling
  - Air Cleaner

- **Fuel System**
  - Fuel Type: Gas
  - Fuel Tank Capacity: 11.5 U.S. gallons (43.5 L)

- **Electrical System**
  - Charge System: 15 amp
  - Battery Voltage: 12 Volt
  - Standard, digital
  - Championship Brake-N-Go (hand)

- **Drive Train**
  - Hydraulic Pumps: Tuff Torq heavy-duty integrated piston pump
  - Hydraulic Capacity: 5.9 U.S. qt (5.58 L)
  - Travel Speed Forward: 0 - 10 mph (0-16.1 km/h)
  - Travel Speed Reverse: 0 - 4.5 mph (0-7.2 km/h)

- **PTO**
  - Type: Electro-magnetic (200 lb. ft.)
  - Drive: V-belt

- **Brakes**
  - Park Brake: Internal wet disk integrated in the transmissio
  - Park Brake Actuation: Hand brake

- **Mower Decks**
  - Available Widths / Type: 48, 54, 60 in. (121.9, 137.2, 152.4 cm)
  - Deck construction: 7-Iron II (One-piece stamped steel with reinforcements)
  - Deck thickness: 7-gauge (0.177 in.)
  - Height-of-Cut Range / Increment: 1.0 in. to 5.5 in. (2.5 cm - 13.9 cm) / 0.25 in. (.6 cm)

- **Blades**
  - Tip Speed: Approximately 18,000 fpm
  - Number: Three

- **Wheels and Tires**
  - Drive (Rear) Tires: 24x9.5-12 Turf (48”), 24x12-12 Turf (54”, 60”)
  - Caster Wheel Type: Pneumatic
  - Caster Wheel Size: 13x5-6

- **Dimensions**
  - Overall Length: 84 in. (213.4 cm)
  - Overall Width (chute down): 62, 68, 74 in. (157.5, 172.7, 188 cm)
  - Height: 73 in. (185.4 cm) with ROPS up; 47 in. (119.4 cm) with ROPS down
  - Weight (with Fluids): 1178 lb (534.3 kg) - Z915E

- **Warranty**
  - Type: Single Source Commercial

## M SERIES

**Z920M**

- **Engine**
  - Certified Horsepower: 23.5 HP (17.5 kW) @ 3600 RPM

- **Dimensions**
  - Overall Length: 84 in. (213.4 cm)
  - Overall Width (chute down): 62, 68, 74 in. (157.5, 172.7, 188 cm)
  - Height: 73 in. (185.4 cm) with ROPS up; 47 in. (119.4 cm) with ROPS down
  - Weight (with Fluids): 1283 lb (582 kg) - Z920M

- **Warranty**
  - Type: Single Source Commercial
### Z925M Flex Fuel EFI

- 25.0 HP (18.6 kW) @ 3600 RPM
- ECV740
- 747 cc
- Two
- Full flow, replaceable
- Full pressure

### Z930M / Z930M EFI

- 25.5 HP (19.0 kW) / 26.5 HP (19.7 kW) @ 3600 RPM
- F801V / ECV749
- 852 cc / 747 cc
- Two
- Full flow, replaceable
- Full pressure

### Z950M

- 27.0 HP (20.1 kW) @ 3600 RPM
- FX850V
- 852 cc
- Two
- Full flow, replaceable
- Full pressure

### Z960M

- 31.0 HP (23.1 kW) @ 3600 RPM
- FX921V
- 999 cc
- Two
- Full flow, replaceable
- Full pressure

#### Specifications

- **Fuel:**
  - Gas: 11.5 U.S. gallons (43.5 L)
  - Gas: 11.5 U.S. gallons (43.5 L)
- **Electric Motor:**
  - 20 amp
  - 12 Volt
- **Brake/N-Go (hand):**
  - Standard, digital
- **Transmission:**
  - Tuff Torq heavy-duty integrated piston pump
  - Tuff Torq heavy-duty integrated piston wheel motor
  - 5.9 U.S. qt (5.58 L)
  - 0 - 10 mph (0-16.1 km/h)
  - 0 - 4.5 mph (0-7.2 km/h)
  - Electro-magnetic (225 lb. ft.)
- **Engine:**
  - 747 cc
  - 747 cc
  - 999 cc

#### Additional Features

- **Dust Collector:**
  - Heavy-duty canister type with safety element
- **Gas Tank:**
  - 11.5 U.S. gallons (43.5 L)
- **Battery:**
  - 20 amp
- **Ignition System:**
  - Standard, digital
- **Brake/N-Go (hand):**
  - Brake-N-Go (hand)
- **Transmission:**
  - Tuff Torq heavy-duty integrated piston pump
  - Tuff Torq heavy-duty integrated piston wheel motor
  - 5.9 U.S. qt (5.58 L)
  - 0 - 10 mph (0-16.1 km/h)
  - 0 - 4.5 mph (0-7.2 km/h)
  - Electro-magnetic (225 lb. ft.)
- **Engine:**
  - 747 cc
  - 747 cc
  - 999 cc

#### Additional Specifications

- **Frame:**
  - Single Source Commercial
- **Wheels:**
  - Flat Free
  - 13x6.5-6
  - 20 amp
  - 12 Volt
  - Standard, digital
  - Brake-N-Go (hand)
- **Transmission:**
  - 54, 54 MOD, 60 in. (137.2, 137.2 MOD, 152.4 cm)
  - 7-Iron PRO (One-piece stamped steel with reinforcements)
  - 7-gauge (0.177 in.)
  - Hand brake
- **Weight:**
  - 2130 lb (958.7 kg) - Z925M EFI 5x" MOD
  - 36 months or 1200 hours, whichever comes first, no hour limitation for the first 24 months
  - Single Source Commercial

## QuikTrak™ Specifications

### E SERIES

#### 652E

- **Engine**
  - Horsepower: 22.0 HP (16.4 kW) @ 3600 RPM
  - Model: FX691V
  - Displacement: 726 cc
  - Cylinders: Two
  - Oil Filter: Spin on Full Flow - Cartridge type
  - Cooling: Air
  - Engine Type: Heavy-duty canister type with safety element
  - Fuel Type: Gas
  - Oil Capacity: 5.6 U.S. gallons (21.2L)
  - Fuel Tank Capacity: 5.6 U.S. gallons (21.2L)
  - Charge System: 12V - 20 amp @ 3600RPM
  - Battery Voltage: 12 Volt
  - Hour Meter: Standard, digital
  - Drive Train: Dual Variable Displacement BiDirectional Axial Piston - Hydro Gear PK Series 12 cm³/rev (0.73 cu in./rev) with Fan
  - Wheel Motors: Hydro-Gear HGM-P Series, 245 cm³/rev. (15.0cu in/rev.)
  - Hydraulic Pumps: Dual Variable Displacement BiDirectional Axial Piston - Hydro Gear PG Series 10 cm³/rev (0.61 cu in./rev)
  - Hydraulic Capacity: 5.0 qt (4.7 L)
  - Travel Speed Forward: 0 - 9.6 mph (15.4 km/h)
  - Travel Speed Reverse: 0 - 4.8 mph to 5.5 mph (7.7 to 8.85 km/h)
  - PTO: Electro-Magnetic (200 lb. ft.) w/Brake
  - Deck: Dual B-Section V-belt w/Kevelar Cord
  - Park Brake: Twin Motion Control Levers / Hydrostatic
  - Mower Deck: 52 in. (132.1 cm) Side Discharge
  - Deck Blades: 1.5 in. to 5.0 in. (3.8 cm - 12.7 cm) / 0.25 in. (.6 cm)
  - Tip Speed: Approximately 18,900 fpm
  - Wheels and Tires: 20 x 10.00-8 4PR Turf Master
  - Caster Wheel Type: Flat Free
  - Height: 13 in. (6.5 - 6)
  - Weight: 927 lbs (420.5 kg)
  - Deck Belts: Approximately 18,900 fpm
  - Three
  - Wheels (Rear): 18 X 8.50 - 10 4PR Turf Master
  - Caster Wheel Type: Flat Free
  - Dimensions: 66 in. (167.6 cm)
  - Weight (with Fluids): 24 months
  - Warranty: Single Source Commercial

### M SERIES

#### 636M

- **Engine**
  - Horsepower: 18.5 HP (13.8 kW) @ 3600 RPM
  - Model: FX600V-AS28-R
  - Displacement: 603 cc
  - Cylinders: Two
  - Oil Filter: Spin on Full Flow - Cartridge type
  - Cooling: Air
  - Engine Type: Dry Type - Dual Stage
  - Fuel Type: Gas
  - Oil Capacity: 5.5 U.S. Gallons (20.8L)
  - Fuel Tank Capacity: 5.5 U.S. Gallons (20.8L)
  - Charge System: 12V - 15 amp @ 3600RPM
  - Battery Voltage: 12 Volt
  - Hour Meter: Standard, digital
  - Drive Train: Dual Variable Displacement BiDirectional Axial Piston - Hydro Gear PG Series 10 cm³/rev (0.61 cu in./rev)
  - Wheel Motors: Hydro-Gear HGM-P Series, 196 cm³/rev. (12.0cu in/rev.)
  - Hydraulic Pumps: Dual Variable Displacement BiDirectional Axial Piston - Hydro Gear PK Series 12 cm³/rev (0.73 cu in./rev) with Fan
  - Hydraulic Capacity: 5.0 qt (4.7 L)
  - Travel Speed Forward: 0 - 8.2 mph (13.2 km/h)
  - Travel Speed Reverse: 0 - 3.5 mph (5.6 km/h)
  - PTO: Electro-Magnetic-ccw (125 lb. ft.) w/Brake
  - Deck: Dual B-Section V-belt w/Kevelar Cord
  - Park Brake: Mechanical Lever / Tire Engagement
  - Mower Deck: 36 in. (91.44 cm) Side Discharge
  - Deck Blades: 1.5 in. to 5.0 in. (3.8 cm. to 12.7 cm. ) / 0.25 in. (.6 cm)
  - Tip Speed: 18,900 fpm
  - Wheels (Rear): 18 X 8.50 - 10 4PR Turf Master
  - Caster Wheel Type: Flat Free
  - Dimensions: 66 in. (167.6 cm)
  - Weight (with Fluids): 24 months
  - Warranty: Single Source Commercial

</table>
### Engine
- **Certified Horsepower**: 14.5 HP (10.8 kW)\(^2\) / 18.5 HP (13.8 kW)\(^2\) / 23.0 HP (17.2 kW)\(^2\)

### Fuel System
- **Fuel Type**: Gas
- **Displacement**: 603 cc (36.8 cu. in.)

### Fuel Tank Capacity
- 5.8 U.S. gal (21.9 L)

### Electrical System
- **Ignition / Starter**: Electronic spark
- **Battery Voltage**: 12 Volt

### Drive Train
- **Hydraulic Pumps**: 10cc
- **Wheel Motors – Hydraulic**: Full pressure

### PTO
- **Type**: Electric

### Brakes
- **Park Brake**: NA

### Mower Decks
- **Available Widths / Type**: 32-in. (81.2 cm) / 36-in. (91.4 cm) / 48-in. (121.9 cm)
- **Deck construction**: 7-gauge fabricated steel
- **Height-of-Cut Range / Increment**: Approximately 18,000 fpm

### Blades
- **Tip Speed**: Approximately 18,000 fpm

### Wheels and Tires
- **Drive (Rear) Tires**: 13X5-6 (32 in.), 13X6.5-6 (36 in. & 48 in.)
- **Caster Wheel Type**: Flat Free
- **Caster Wheel Size**: 9 X 3.5 -4

### Dimensions
- **Overall Length**: 74 in. (188 cm) / 75 in. (191 cm) / 71 in. (180.3 cm)
- **Overall Width (chute down)**: 47.5 in. (120 cm) / 48.6 in. (123 cm) / 60.8 in. (154 cm)
- **Height**: 43 in. (109.2 cm)
- **Weight (with fluids)**: 475 lb. (215.5 kg) / 475 lb. (215.5 kg) / 558 lb. (253.1 kg)

### Warranty
- **Duration**: 24 months
- **Type**: Single Source Commercial
**GreenFleet Loyalty Rewards** can help you manage your fleet, keep a handle on your bottom line and get the rewards you deserve. With your Platinum membership, you’ll receive valuable equipment discounts, special financing options, workshop products discounts, and other exclusive members-only benefits. Best of all, it’s free with the purchase of any 2 pieces of John Deere equipment within 12 months.

In short, GreenFleet is all about enhancing your ownership experience. Get complete details at [JohnDeere.com/GreenFleet](http://JohnDeere.com/GreenFleet) or [JohnDeere.ca/GreenFleet](http://JohnDeere.ca/GreenFleet).

* GreenFleet Equipment is defined as self-propelled, ride-on equipment. All attachments and implements are excluded. See GreenFleet Terms & Conditions at JohnDeere.com/GreenFleet or JohnDeere.ca/GreenFleet.
